

COMPONENT 1: TRAINING DELIVERY AND EVALUATION COMPONENT AWARD (6N3326)

This award is designed to enable participants to impart skills and experience to others with confidence through designing and delivering professional training with positive learning outcomes for all involved. This course aims to provide all participants with an overview of the core Training Design and Delivery which will enhance their training ability on a practical and professional level.

- Participants will learn to design relevant and targeted training modules for delivery in confident professional manner
- This module will provide participants with the confidence to lead and facilitate group activities and discussions for enhances learning and ultimately will ensure that participants make learning a positive experience for all involved.

Certification at QQI Level 6 – “Training Delivery & Evaluation” (6N3326) will be available to participants on successful completion of the programme.

*** Please note: There may be delays in receiving certification once new procedures are put in place due to the current COVID-19 situation.**

**COMPONENT 2: TRAINING NEEDS IDENTIFICATION & DESIGN
COMPONENT AWARD (6N3325)**

This award provides learners with the knowledge, skill and competence to identify training and development needs at an organisation and or individual level. It offers learners the opportunity to learn the skills of devising a training plan and to explore the scope of training and development design.

- It will provide participants with the skills to be able to identify and assess training needs, develop, plans, content and materials required to deliver bespoke and tailored training programmes.

Duration: Delivered through an eLearning platform with the support of Optimum support personnel and the Specialist Trainer where participants are encouraged to complete all elements within a 10-week period.

Certification at QQI Level 6 – “Training needs Identification & Design” (6N3325) will be available to participants on successful completion of the programme.

Please note: There may be delays in receiving certification once new procedures are put in place due to the current COVID-19 situation.
